

**CITY OF RANCHO SANTA MARGARITA
MEMBER OF THE CITY COUNCIL**

JERAULD (JERRY) HOLLOWAY

AGE: 48

OCCUPATION: Dean of Students / Retired Police Lieutenant

Education: Masters Degree in Public Administration - Long Beach State University.

Rancho Santa Margarita has been home to my family since 1990 and the place my wife Ellen and I have chosen to raise our daughter Cortney. RSM has grown into a safe and beautiful place to live; I will continue to work to keep it that way. Having 20 years of experience working within City Government, and now having served on our City Council, I feel good about the diversity I bring to our City Council. While in office I have been able to;

Get Life Saving Defibrillators into every Sheriff Patrol Car.

Support an increase in manpower of our Sheriff Patrol Deputies.

Support the hiring of a School Resource Officer.

Introduce and implement the Student Recognition Program.

Support the building of our City Hall and Community Center.

Work towards safer traffic controls around our schools and in our neighborhoods.

Work at controlling the Fire Ant and West Nile Virus problem(s).

Work towards increasing our Fire & Paramedic personnel.

You supported me two years ago. I again ask for your vote. Let me continue to work for you to keep our community the safe and beautiful place it is. Thank you
